Preface

In compiling such a history, it seemed essential that an effort should be made to obtain as much information as possible concerning the part played by the religious, civic, and fraternal organizatkons in war effort. Hence questionnaires were prepared and sent to each of the Churches, to the Rotary, Lions, Kiwanis, and Ruritan Clubs, and to the Masons and Elks, to the 4-H Clubs and Boy Scout Troops, and to the local chapter of the American Red Cross.

Information was obtained in regard to Home Guard organizations, Fire Wardens, Airplane Spotters, Draft-Boards, Ration Boards, and War Material Manufacturing plants.

From information on file at the County Clerk's Office and from whatever other sources possible, an alphabetical roll was made of the men and women in the armed forces, showing length of service, rank attained,and ribbons and medals awarded.

A Gold Star Honor Roll of those who died in the service has been prepared, giving as much information as could be obtained in regard to each.

Also a roll of those who had the misfortune to be made prisoners by the enemy with their comments on life in the prison camps.

A brief history of Co. C, 116th Infantry, has been prepared, introduced by an account of the former military organizations in this community since 1880, which culminated in the organization of Co. C.

To this has been added a fourth roll of those who served as commissioned officers.

Acknowledgment is made of the assistance and advice received from Dr.W.Edwin Hemphill, director of the Virginia World War II History Commission, from Lt.Col.Frank C.Switzer, from Capt. W.G.Myers, former commanding officer of Co. C, and Capt. of Co. M (Home Guard), from Capt. Joseph P.Harpine, commanding officer of Rockingham Company No. 83, Virginia Reserve Militia (Minute men), from Clerk of the Court J.Robert Switzer and Deputy Clerk Harry Bryan, and from W.Wilmer Coffman, author of Rockingham County in the World War (1917-1918), and from material collected by Kirby S.Bassford.

Introduction

Rockingham County, including all its towns and villages and the City of Harrisonburg, according to the Census of 1940 had a total population of 40,057. Of this number, approximately 30,000, or 75%, was rural, and 10,000, or 25% urban.

4,952 men and women, 12½% of the population, were enrolled in the armed forces, either by draft or as volunteers. This number is somewhat smaller than might have been expected, due to the fact that there is a large group of substantial citizens, 1,708, in the County, belonging to a religious denomination which forbids its members taking part in any war-like occupation, and whose members were relieved by the Draft Boards from military service as "conscientious objectors." This group, however, aided a great deal towards the relief of suffering, as will appear later.

Of those in the armed forces, 141, or 29% of those in service, lost their lives, and 31, or .64 of 1% of those in service, were made prisoners of war by the enemy, in Japanese or in German prison camps.

Of those in the armed forces, 163 became commissioned officers, and a large number non-commissioned officers.

The commissioned officers in the army and Air Force included one Major General, three Colonels, four Lieutenant Colonels, fourteen Majors, thirty-four Captains, forty-four First Leiutenants, thirty-one Second Lieutenants, and, in the Navy and Marine Corps, four Commanders, nine Lieutenant Commanders, nine Lieutenants, and ten Lieutenants (jg).

Roll 4 is an alphabetical roll of commissioned officers, giving, where the information is available, the rank, arm, and unit of service.

The Churches

The Churches, Catholic, Protestant, and Jewish, with the exception of one denomination, took an active part in the War Effort. They furnished from their membership officers and men and women who served faithfully in the armed forces. Most of them displayed service flags in their houses of worship, and kept in touch with the men and women in service by letter, thus aiding their morale. The response to questionnaires sent out was not sufficient (about 27%) to make a detailed summary, but was enough to show that patriotism was strong in the religious organizations. Some of the churches operated canteens for Service Men, at times when Army units bivouaced in the neighborhood, serving coffee and doughnuts, and giving the men a place to sit and rest.

Mant churches held special memorial services for those who were killed.

A clear picture of the county in the war years cannot be made without reference to the position of the Mennonite Church on Military Service and other War activities. This is clearly set out in a pamphlet, "Peace, War and Military Service A Statement of the Position of the Mennonite Church", Mennonite Publishing House, Scottdale, Penn., as follows:

"Our Position on Military Service"

In the light of the above principles of Scripture we are constrained as followers of Christ to abstain from all forms of military service and all means of support of war, and must consider members who violate these principles as transgressors and out of fellowship with the Church. Specifically our position entrails the following commitments:

1. We can have no part in carnal warfare or conflict between nations, nor in strife between classes, groups or individuals. We believe that this means that we cannot bear arms personally nor aid in any way those who do so, and that as a consequence we cannot accept service under the military arm of the government, whether direct or indirect, combatant or noncombatant, which ultimately involves participation in any operation aiding or abetting war and thus causes us to be responsible for the destruction of the life, health and property of our fellow men.

2. On the same grounds consistency requres that we do not serve during war time under civil organizations temporarily allied with the military in the prosecution of the war, such as the Y.M. C.A., the Red Cross, and similar organizations which, under military orders, become a part of the war system in effect, if not in method and spirit, however beneficial their peace-time activities may be.

3. We can have no part in the financing of war operations through the purchase of war bonds in any form or through voluntary contributions to any of the organizations or activities falling under the category described immediately above, unless such contributions are used for civilian relief or similar purposes.

4. We cannot knowingly participate in the manufacture of munitions and weapons of war either in peace time or in war time.

5. We can have no part in military training in schools and colleges, or in any other form of peace-time preparation for service as part of the war system.

6. We ought carefully to abstain from any agitation, propaganda or activity that tends to promote ill-will or hatred among nations which leads to war, but rather endeavor to foster good will and respect for all nations, peoples and races, being careful to observe a spirit of sincere neutrality when cases of war and conflict arise.

7. We ought not to seek to make a profit out of war and war-time inflation, which would mean profiting from the shedding of the blood of our fellow men. If, however, during war time, excess profits do come into our hands, such profits should be conscientiously devoted to charitable purposes, such as the bringing of relief to the needy, or the spreading of the Gospel of peace and love, and should not be applied to our own material benefit."

In the light of these rulings of the Church, Mr. John L.Stauffer, President of the Eastern Mennonite School, in reply to the questionnaire sent him, says, in part:

" * * As a church we have not participated in the military operations of the past war. Most of our young men in the Valley have gone to Civilian Public Service camps while many of the boys in the rural areas in the mountains have accepted military service.

During the war a number of the young people in the Valley were engaged in Civilian Public Service work and some in relief service over seas. The Mennonites in the Valley donated about $100,000 in food-stuffs for the hungry people of Europe which included more than 250 head of cattle. * * Through the war years there have been frequent clothing donations and the purchase of blankets and these were distributed in war stricken areas.

While we do not buy War Bonds, there were a number of Civilian Bonds purchase, much money was given for relief, and an enormous sum of money spend in supporting the Civilian Public Service men in camps because the government assumed no responsibility for maintenance neither were the boys remunerated for their service. * * * "

The total membership of the Mennonite Churches in the County is 1,708, which reduces the population available for military service from 40,057 to 38,349.

Civic Clubs and Fraternal Organizations

The civic clubs, Rotary, Kiwanis, Lions, and Kuritan, as well as the Masonic Lodges and Benevolent and Protective Order of Elks, all furnished men for the armed forces, and displayed service flags. Members of these organizations who did not enter military service were active in buying War Bonds, contributing to the Red Cross and the U.S.O., and giving of their time to serve on Draft Boards and Ration Boards, and as Fire Wardens and Air Plane Spotters. The organizations were active in aiding all War Bond Drives, in many instances putting on Bond Auctions which resulted in the sale of thousands of dollars' worth of War Bonds.

The information in regard to the activities of the American Legion which appears on the next page was furnished by Dr.John A.Sawhill, Adjutant for the last nine years.

The article on the Veterans of Foreign Wars, which follows, was prepared by R.L.Stultz, Past Commander of the Veterans of Foreign Wars.

Acknowledgment of the help given by these gentlemen is made here.

Activities of the
RION-BOWMAN POST 632, VETERANS OF FOREIGN WARS, IN WORLD WAR II.
By Past Commander R.L.Stultz.

Comprised of men who had served their country overseas in time of war, it was but natural that the members of Rion-Bowman Post 632, Veterans of Foreign Wars of the U.S., should actively concern themselves with the varied Home Front activities and endeavors attending America's entry into, and participation in the second World conflict.

The Post's war-time activities can properly be dated from this country's mobilization in 1940, prior to the Japanese surprise attack on our fleet at Pearl Harbor. During the interval preceding the declaration of war, the Post and its members engaged in, and co-operated with various National Defense measures and programs.

Following the outbreak of hostilities, the Post's war and patriotic activities and contributions were stepped up and expanded until they embraced practically every phase and field of the nation's war-time effort. Members volunteered for duty as Bond salesmen (not overlooking their substantial individual purchases), Air Craft Observers, Red Cross workers, U.S.O. and canteen aids and other capacities. Throughout the war period and subsequently, the Post made substantial contributions in cash and supplies to U.S.O., Hospital and Canteen entertainment funds.

It remained for the last years of the war to record the Post's largest and most important community contributions. When the City - County War Memorial Auditorium project was launched, several members served on its Board of Trustees and the Post raised and contributed the sum of $1,000 to the undertaking (which unfortunately was later abandoned). When the Community Memorial Stadium was adopted as a second unit of the over-all City - County War Memorial, the Post joined with the American Legion in raising nearly $5,000 for this long-needed facility, which was dedicated May 30, 1949.

Two other joint activities of the V.F.W. and Legion during the last stages of the war, was the organization of the Harrisonburg - Rockingham Veterans' Bank, under the direction of a former Commander of Rion-Bowman Post, and the establishment of a Veterans' Club on East Market Street. (This latter has been succeeded by the joint purchase of historic "Stoneleigh Inn" as a veterans' Memorial Home).

When no other Virginia Post or City was prepared to serve as host to the Annual Encampment of the Veterans of Foreign Wars in June, 1945, the local Post and its Ladies Auxiliary extended an invitation to the Convention. Despite gas rationing and other war-time travel restrictions, the event attracted several hundred delegates and visitors and was rated a notable success.

While chartered in 1921, and always one of the Department's leading units, it remained for the year 1945 to bring the Post National recognition and distinction as Virginia's largest V.F.W. unit, as a result of its enrollment of more than 1,000 paid members. This strength ranked it high in the National organization, and it has never been equaled by any other Post in the Department. This membership achievemtn was celebrated in conjunction with the Post's 25th anniversary banquet March 18, 1946.

The Post's remarkable membership strength in ratio to the population of its home City and Community, was composed largely of World War II service men and veterans, scores of whose fathers and brothers were members of the V.F.W. by virtue of their service in the first World War, and who were instrumental in enrolling their sons and relatives in the organization. It is interesting to note that numbers of instances of both fathers and sons serving in the armed forces at the same time, were recorded among the Post's membership.

Following the war's termination, the Post was repeatedly called upon to perform the solemn duty of conducting military funerals for scores of deceased service men, whose bodies were returned to their home communities for final interment. It likewise actively participated in the organization and staging of several "Victory" and "Home-Coming" parades in marking the return of the City and County's discharged veterans.

Activities of

THE HARRISONBURG & ROCKINGHAM CHAMBER OF COMMERCE IN WORLD WAR II.

By R.L.Stultz, Secretary of the Chamber of Commerce.

It remained for the second world War to tax the Chamber's limited resources and to climax its long career of Community activity and usefulness. During this period, it attained an all-time peak in both public and personal service and achieved State-wide recognition for its wide and varied operations and endeavors.

The Chamber early recognized the field of need and opportunity for rendering essential service to the citizens of the City and County in the wake of America's mobilization for war. Starting in 1940, all of its resources and facilities were geared to war-time duty on the Home Front and to the proposition of maintaining and protecting the civilian economy.

Its efforts in this direction were set forth in the following Declaration of the Chamber's War-time Policy:

"Our Home Front is our First Line of Defense. We Must Keep it Strong and Secure and Properly Integrated with our Nation's War Effort."

In implementing its war-time program, the Chamber greatly broadened and expanded its normal peace-time services and activities in order to provide the machinery and facilities for local citizens to successfully operate under emergency restrictions and controls. As a result of the absence of various local branches and agencies of the Federal Government, the task and burden or providing and supplying substitute facilities largely devolved upon the Chamber.

During the six-year interval from 1941 to 1946, inclusive the Chamber rendered practical help and aid to literally thousands of this and neighboring areas, in conjunction with their war-time needs and problems. Due to the intricate and complex nature of Government regulations, the average civilian found it difficult and frequently impossible to interpret them and comply with their provisions without resorting to the Chamber's special services.

The Chamber's major endeavors during the war period may be broadly classified under these general heads:

Selective Service - Food Production - Man Power - Highway Transportation - Rationing - Pioriries - Sub Contracts - Civilian Defense - War Financing.

This and the following pages enumerate in skeleton outline the Chamber's war-time services and endeavors:

9. Employ Full and Practical Measures for Maintaining Rural Transportation Structure.
10. Enlist Services of Business Men and Private Citizens in Planning, Organizing, and Administering Federal War Measures in Local Communities thru Medium of Existing Trade and Civic Bodies and agencies.

FOOD PRODUCTION AND AGRICULTURAL POLICY

1. Declare Agriculture a Major Essential War Industry.
2. Assure Farmers Adequate Tools for Producing Vital Food-stuffs:

    a. Skilled and Experienced Man-Power.
    b. Highway Transportation and Gasoline.
    c. Farm Machinery and Equipment.
    d. Feed Concentrates and Fertilizer.

Its essential war-time service was particularly notable in support and maintenance of Food Production and Processing, Highway Transportation, Truck Equipment and Essential Materials, all of which were vital and essential to both the war effort and civilian economy.

The Chamber has been credited with much of the responsibility for maintaining and preserving Rockingham County's economy during the war years, by reason of its organized and effective efforts in behalf of adequate fuel and other production essentials.

Since this area is practically totally dependent upon motor vehicles and highway transportation in supplying and distributing commodities and in transporting civilians, much of the Chanber's war-time endeavors were devoted to securing proper recognition and consideration of our rural transportation needs. These efforts entailed a vast amount of personal service in addition to their general nature, and they were instrumental in procuring larger allotments of trucks, tires and gasoline in hundreds of instances. Another popular and widely used activity of the Chamber at this time was the operation of a "Share-a-Ride" Bureau as a facility for supplementing gas Rations for private cars. The fact of the Chamber's conduct of the local License Agency of the State Division of Motor Vehicles, naturally and logically rendered its offices a center for this type of transportation activity.

Each year during the war period, the Chamber sponsored and arranged scores of conferences, forums and clinics with representatives of the various Government agencies, aimed at enabling business men and citizens to acquaint and inform themselves concerning the emergency regulations and controls relating to their affairs.

No less than 36 of the Chamber's members served with the Armed Forces during the war, and these were retained on its membership rolls during their absence. a list of these members follows.

Fire Wardens

The Chief Fire Warden, Laurence Loewner, and his assistants divided the city into small areas and appointed volunteer wardens to have supervision of these areas.

One of the most important duties of these wardens was to enforce black-out regulations during practice black-outs. These black-outs were put into force by pre-determined siren signals and closed with "all clear" signals.

Upon hearing the black-out signal, householders were required to extinguish all lights, or to so screen their windows that no ray of light should escape. Automobiles must pull to the curb and extinguish light. No smoking was allowed on the streets, and all street lights were extinguished.

Upon the signal, each local warden must visit every house in his area, inform the occupants of any light showing and see that it was remedied, and enforce all regulations on the streets in his area.

Unannounced black-outs were held at various times, the wardens serving faithfully and the citizens giving full coöperation, as if a real air attack were imminent.

The following information was furnished by Laurence L.Loewner, who succeeded W.R.Woodberry as Coordinator and Director in February, 1943, and remained in that position until the end of the war.

"The warden service was divided into six sectors in the city under the direction of Control Headquarters located over the Police Station.

The Key men in the control room were:
Lawrence L.Loewner, Coordinator and Director
Jay Wilton, Controller
Glenn W.Ruebush, Senior Warden
Dr.B.S.Yancey, Chief of Medical Service
Miss Kagey, Chief Nurse
Carl Wilbarger) Chiefs of Fire Control
Edwin Lamb)
Lucius Armentrout, Chief of Electric Utility
Wm.G.Myers, Chief of Water and Streets Utilities
Miss Treadway, Chief of Welfare Emergency
E.L.Chapman, Assistant Warden
Mrs.Lawrence L.Loewner, Secretary
G.Fred Switzer, Chief of Telephone Service
J.C.Burke, Chief of Gas Utility
Dick Garber)
Billy Showalter) Messengers
James Stover)

"

Each sector consisted of a Warden, four or more Assistant Wardens, each of whom had as many helpers as necessary to cover the area to which he was assigned. The set-up covering the city was:-

"Sector or Precinct 1.
B.K.Cline, Warden,
Assistant Wardens, Dwight Falls, A.B.Garber H.M^cInturff and H.B.Ward

Sector or Precinct 2.
S.J.Prichard, Warden,
Assistant Wardens, J.D.Corison, Ernest Freaier, Frank Whitesel, William Byrd, Orville Cooley, and John Byrd

Under this organization, this Red Cross unit was able to do fine relief work in making surgical dressings, hospital garments, relief garments, and knitted garments for the Army and Navy.

The work done by the Surgical Dressing Staff, under the supervision of Miss Myrtle Wilson and Mrs.O.L.Miller, was outstanding. Rooms were opened in Bridgewater, Broadway, Dayton, Linville, Mt.Crawford, Mountain Valley, Ekkton, McGaheysville, Keezletown, and Harrisonburg; thirteen in all, including one unit of colored women which did excellent work. The main room in Harrisonburg was at the Presbyterian Church. In 1943 alone, 294,100 surgical dressings were shipped, and in the two and one-half years 1688 women made and shipped 607,500 surgical dressings.

Under the head of Production, Mrs.Russell Bucher, Chairman, hospital and relief garments were made by groups of ladies in the various Churches in the county, and individually. The garments were cut out in the Red Cross office, and some member of each group got them from the office and took them to their respective groups. The city group sewed in the Episcopal Church.

For the knitted garments, the yarn was furnished by the Red Cross to individuals who did the work in their homes.

The total production was

Hospital Garments	22,094
Relief Garments	4,433
Knitted Garments	3,354
Total,	29,881

Under the effective leadership of Mrs.Ruth Wampler Clem, approximately forty young women were enlisted as Nurses Aids. These, wearing proper uniforms, gave efficient aid to the depleted complement of nurses at the Rockingham Memorial Hospital by serving in small groups at scheduled hours on specific days. Their help was essential.

Mrs.Clem was also chairman of the War Relief Fund Drive which raised approximately $11,000.00 each year, the larger portion of which was used in the city and county.

Substantial aid was given to families whose homes and belongings were destroyed by fire, or who suffered from other disasters.

Air-Plane Spotter Posts.

In a radio talk by Mr.Bernard T.Denton in the fall of 1941, the necessity of having Air-Plane Spotter Posts in the county was stressed, and a call for volunteers was made. Mrs. Fred K.Betts answered this appeal, and Mr.Betts offered his house on the highest point of Chestnut Ridge, just north of Route 33, to the east of the city, as a location of a Post. Volunteer spotters were slow in offering their service, and little interest was shown until after the attack on Pearl Harbor.

On December 12, 1941, the first meeting of volunteer workers was held; instructions as to identifying various kinds of air craft, their direction, speed and probable elevation were furnished by the Army, as were instructions for reporting. A special telephone wire to the platting area was furnished.

The Post was opened in the basement of the Betts' home. Mrs.Betts was named Chief Observer, with her daughter, Linda, (*) (now Mrs.Robert Frazier) as her assistant, the volunteer observers working in pairs on three hour shifts over the twenty-four hour period.

The basement not being very satisfactory, Fred Betts,Jr. offered a play house that he had formerly built up in some trees in the woods near the house. With considerable effort,this was gotten down from the trees, moved to a position in front of the house, and furnished with a cot, a table, a stove and some chairs, and the telephone installed there. The News-Record published daily the names of the observers and the hours they were to serve. Whenever these failed to appear on time, Mrs.Betts and her daughter took over. Coffee and sandwiches were furnished by Mrs.Betts for those who served on the "graveyard" shift (12 midnight to 3:00 A.M.)

The post was periodically inspected by the Army, and from time to time test flights were made over the Post to test the ability of the observers by what was reported. Once, a Japanese plane was flown over, and at another time a grasshopper squadron, both correctly reported.

The Post was continued there until the end of 1942, when the tire and gas shortage made it impossible for the observers to go back and forth. Then the Post was moved to Harrisonburg.

It is interesting to note that after her marriage Mrs. Frazier continued to serve as an observer, as well as to work with the USO, the Stage Door Canteen, and to act as Chaplain's assistant at the various submarine bases at which her husband was located.

25

In the meantime, Posts had been set up at Elkton, Harold Workman, Chief Observer, and at Broadway, Mrs.Bernice Kline, Chief Observer, the latter being dedicated on November 20, 1942.

Construction of the Post in Harrisonburg was begun in January 1943 on the highest point of Ott Street, on land furnished by Mrs. J.C.Sibert. The site was inspected on January 10, by officers of the Army Interceptor Command, with headquarters in Norfolk, and the possibility of a Post at Bridgewater was discussed. (This was later set up).

On January 12, a meeting of spotters for instruction was held at the Main Street School under the direction of Arthur R.Tritschler, Sub-Director of Aircraft Warning Serfice 27-W, and it was announced that the new Post would be completed in a week.

The Post began operation on January 19, at noon. The observers for the first eighteen hours were:-

Noon - 3:00 P.M., Lavellette Sears and Harriett Buick
3--6 Jane Golliday and Joann Gardner
6--9 Katherine McNeill and Juliett Sibert
9-12 midnight, Mr. and Mrs.Forest Blakemore
12--3 Dr.Anson Barber
3--6 Charles Ritchie

The Post was dedicated on February 7,1943.
The printed program of the exercises is reproduced here.

The following account of the dedication is from a newspaper clipping:

"Harrisonburg's Victory Post of the Aircraft Warning Service was dedicated to the cause of national defense and presented formally to the First Fighter Command, U.S.Army Air Forces, at impressive services February 7 atop wind-swept Ott street Hill.

A throng of 500 persons braved the chilly blasts to witness and participate in the exercises, the size of the crowd being pointed to by speakers, as indications of the great enthusiasm prevalent in air observation circles here and in Rockingham county, the sub-district which is under the direction of Arthur Tritschler, who has worked untiringly to build new posts and to keep others maintained on a 24-hour basis.

Mayor Presents Post

Mayor Ward Swank presented the post on behalf of the city government and citizens while it was accepted on behalf of the Seventh district by Director Edwin C.Parker, of Winchester, on behalf of the State Aircraft Warning Service by Senator G.E. Heller, of Bedford, executive officer and on behalf of the Army Air Corps by Capt. Floyd E.Lee in charge of the Richmond filter center of the First Fighter Command.

The exercises were under the auspices of Rockingham Post of the American Legion, which sponsors the Aircraft Warning Service of Rockingham county and was presided over by the commander, Frank P.Coan. Members of the Virginia Protective Force, commanded by Capt. William G.Myers formed the offical escort and music was provided by the Harrisonburg Boys Band directed by Joe Wampler and the Madison College Glee Club directed by Miss Edna Shaeffer.

Flag Is Raised

Rion-Bowman Post, Veterans of Foreign Wars, and its auxiliary president, Mrs. Dewey Leffel presented the flag which was raised at the beginning of the exercises, with the American Legion giving the salute and the Boys Band playing the National Anthem. Rev. Lynn C.Dickerson then asked the invocation.

City Councilman Bernard T.Denton, who was the first sub-director of the Aircraft Warning Service in Rockingham when it was organized in June 1941, gave the address of welcome and praised all of those who cooperated in the service. He thanked Mr.and Mrs.Fred Betts for the use of their home as the Chestnut Ridge Observation Post until the gasoline and tire shortage made it advisable to locate the post in Harrisonburg. He praised the observers for their alertness in spotting planes and in making a study of the work,which he said was highly essential for national defense."

The Mayor's address was interrupted in order that the audience might hear the "Flash" which was 'phoned to Richmond when a plane, flown by previous arrangement by the Civil Air Patrol, was spotted over head.

The officers of the First Fighter Command, introduced by E.L.Klingstein, were:-Capt. Lee, Lt.R.E.Manchee, Lt.J.C. Cromer, Lt.Albert H.Pyall, and Lt.William B.Hines, the latter of whom said, in part, "I have visited lots of Observation Posts between Maine and Florida and none of them have anything on this modern structure you are dedicating to-day."

Other guests introduced were Harold Workman, Chief Observer of the Elkton Post, and Mrs.J.H.Kline, Chief Observer of the Plains Post.

Arm Bands were presented by Lt.Manchee to Chief Observer Evelyn Masters and her assistants, Dr.Ruth Phillips, Mrs.F.S. Toppin, Ruth Wampler, Julia Nellie Blosser and Mrs.Wirt Wise.

The benediction was pronounced by Rev.E.E.Miller of the First U.B.Church.

The Boy Scout Troops in area, though severely handicapped by the fact that many of their adult leaders had been called into the Armed Forces, kept up their training of youth in practical arts and good citizenship, and were always ready to give their services in any emergency. Many times they were called on to perform services which could not have been otherwise done on account of lack of available man power. A specific instance of this was the aid given by a group of Scouts trained in the use of the walkee-talkee to the forestry service in fighting forest fires. Not only did this group furnish information which enabled those in charge to direct the fire-fighters efficiently, but also enabled directions to be given to other Scouts, how to find the various fighting groups and to carry food, water, and other supplies to them. The Scout training for assembly was so efficient that, at an unannounced test given by the chief Fire Warden, calling all Scouts to report to the Court Square immediately, the result was that every Scout in the city was there in uniform ready for duty in twenty minutes after the Warden made his first telephone call. (The method is this: The Warden calls each Scout Master with the single message, "All Scouts report at Public Square immediately." Each Scout-Master calls his Senior Patrol Leader and repeats the message. Senior Patrol Leader calls the four Patrol Leaders in his Troop, who in turn calls each member of his Patrol. As soon as possible after getting message, each Scout dons uniform and starts for the rendezvous at Scout-pace.)

Former Boy Scouts in the Armed Forces report that the training they received in Scouting was of great value to them in preserving their own lives and in saving the lives of others. Thus Scouting lessened the casualties of war by an appreciable amount.

The 4-H Clubs, both the boys' clubs and the girls' clubs, in the County also did their part to aid the war-effort. Not only did they continue their training in the production, conservation, and preparation of food and clothing, but also by their previous training they were enabled to do a large part of the work made necessary by the absence of the men in Service. By their industry, they were enabled to make worth-while cash contributions to the Red Cross and other relief agencies and to buy a number of War Bonds.

The Harrisonburg Fire Department consists of two Hose Companies, numbers 1 and 4.

These two Companies, Number 1,located on Newman Avenue,and Number 4,on West Elizabeth Street, are fully equipped with fire fighting apparatus. Each has a social or recreation room and facilities for serving suppers and holding other entertainment functions. These rooms were made available to service men passing through the city, and canteens were held for companies of soldiers bivouacking in the community on their way to training areas.

Dinners were served for various organizations when hotels were not available for this purpose on account of inability to obtain satisfactory help.

During this time, Number 1 gave important community service by serving the weekly luncheons of all the service clubs in the city.

(A picture of a notable meeting of one of these clubs, held there, appears later in this volume.)

The Selective Service Board for Rockingham County was set up early in October 1940, with the following named personnel:-

C.J.Dyche, Elkton, Va., Chairman,
J.O.Beard, Linville, Va., and
J.P.Harpine, Broadway, Va.,

comprising the Board, with

The Ration Board

The Ration Board for Harrisonburg and Rockingham County was organized on January 1st, 1942, consisting of

G.W.Funkhouser, chairman,
D.R.Showalter,
B.T.Denton, and
Frank Liskey.

So much time was required for its work that on June 8th, 1942, G.W.Funkhouser was appointed on a salary as Chief Clerk, with authority to employ clerical help as needed, and D.R.Showalter became chairman of the Board.

Upon his resignation Feb. 28, 1943, B.T.Denton became chairman. Other members of the Board at that time were:

M.T.Miles,
T.H.Lowery,
Frank Coffman.

Upon Mr.Denton's resignation, F.E.Layman became chairman, and served until the Board closed its work on

The clerical force employed for various periods of time during the life of the Board consisted of:

G.W.Funkhouser, Chief Clerk, and
Mrs. Leah Thacker,
Mrs. Virginia Surface,
Mrs. Rachel Halsniger,
Mrs. Esther Kagey Sprinkel,
Mrs. Catharine Roller,
Mrs. Marie Mauck Carmody,
Mrs. Elizabeth Flippo,
Mrs. Jean Kline Early,
Mrs. Anna Kagey ~~Cabiex~~ Cobb,
Mrs. Marguerite Wampler,
Mrs. Gletha Johnson,
Mrs. Gladys Hess,
Mrs. June Garber,
Mrs. Doris Hartman Emswiler,
Mrs. Ella Mae Heatwole,
Mrs. Martha Showalter.

G.W.Funkhouser served as Chief Clerk from June 18th, 1942, until March 31, 1945. After his resignation, Mrs. Anna Kagey Cobb served as Chief Clerk until November when she was succeeded by Mrs. Virginia Surface.

In January 1946 the Board became the Price Control Board, and was in charge of Mrs. Elizabeth Flippo until May, when she was succeeded by Mrs. Katherine Roller who served until the Board became the Rent Control Board headed by Mrs. Martha Showalter, who continued in office until the Board was closed in September, 1949.

Volunteer workers gave many hours of their time aiding heads of families fill out their application for ration books. Particularly helpful were the teachers in the city schools and members of the faculty of Madison College, and the Daily News-Record was most cooperative in publishing, at ny cost, the times and places where the applications must be filled out.

Many ladies in the city had their names placed on a list in the office of the Board, with the understanding that they might be called on as voluntary workers at times when extra work could not be handled by the clerical force.

Much of the Board's time was taken up examining requests for extra gas, for replacement tires, and for canning sugar. In the latter instance, the Board had to work both day and night. Many members of the civic clubs gave their time from 7:30 until 11:00 o'clock to aid in this. Of course, there are always chislers who try to get more than their share of sugar, and there are those who hope to get an extra supply for the making of alcoholic bevereages, but each request for an unusually large amount must be carefully examined. Witness the case of the woman who was asking for 100 lbs. of canning sugar. This woman was called before the Chief Clerk, and the following conversation took place.

Chief Clerk:-"Mrs. Blank, 100 lbs. is a lot of sugar."

Mrs. Blank:-"My husband and I have twelve children living with us and my mother and father live there too, and they've got to eat."

Mrs. Blank got her sugar.

Increase in Facilities for Manufacturing Article of Value in Carrying on the War.

The U.S.War Production Board has now made available for public use statements of authorization of the expansion of manufacturing plants to facilitate the war effort. Only those desiring to spend $25,000.00 or more are listed.

The information in regard to firms in Rockingham County is given as listed below;-each preceded by the caption,

It will be noted that the total amount of expenditures, all privately financed, is $758,000.00, and this does not include expansion of plants costing less than $25,000.00.

This amount looks small, only .22 of 1% of the $299,742,000.00 spent for industrial plant and equipment expansions in Virginia, but it must be remembered that Rockingham County is primarily agricultural and by no means an industrial community.

This information was furnished by W.Edwin Hemphill, Director of the Virginia world War II History Commission. Dr. Hemphill also has furnished the following statement on Salvage in Rockingham.

"Salvage Bulletin No. 33 (?) September 14, 1942 (?)
'As previously advised this committee has established a regular day each month for the collection of all kinds of salvage material in cooperation with the Boy Scouts and the Young Americans so we will fully coöperate with the Junk Rally Work.
Arrangements are under way to secure a sponsor for the ad as required by the agency handling same and notice will be given them when sponsor has been secured.
Quite a nice tonnage is being secured by the WPA in the farm drive. Our two local junkdealers are active and I feel sure that you may count on Rockingham County to deliver a good monthly quota against the Virginia quota. Figures enclosed will bear this out.
Steps are under way to get the field piece at Dayton into use as scrap and there is a smaller gun here that is property of the Veterans of Foreign Wars we shall work on.'"

Besides serving in many capacities in the various organizations referred to previously, the men and women of the community were not lacking in their financial support of the War. This is shown in the

Recapitulation of War Bond Quotas and Sales by Committee Areas of the War Finance Committee for Virginia (furnished by Dr.W.Edwin Hemphill, director ofnthe Virginia World War II History Commission).

From these figures it appears that in the six drives, (3rd to 8th inclusive) in which quotas were assigned, Rockingham County exceeded the sum of its quotas by a total of more than a million and a half dollars.

Men and Women in the Armed Forces

It is manifestly impossible to trace the movements of all those in the Armed Forces through the various theatres in which they served. This is more difficult because the records of approximately one-third of those in service are incomplete. This is true because although their names are recorded in the Clerk's Office, these soldiers have failed to bring their discharges in for recording.

However, where a soldier's record is complete, his ribbons and medals as noted in Roll 3 will give a fair account of where he served. For instance, the letters AD, EAME, APT, and V after the soldier's name show that he served first in American Defense, was sent to the European African Middle Eastern Theatre (either in Africa or Europe or in both) and then after V.E.Day was transferred to the Asiatic Pacific Theatre and was in service on V.J.Day.

Perhaps the best way to visualize the wide areas in which the men from this Community served is to note where men lost their lives, for where men were killed their comrades were fighting.

An examination of the Gold Star Honor Roll (Roll 1) shows that men were killed in all theatres of operation.

Specifically, in European African Middle Eastern Theatre, men lost their lives in France, at Omaha Beach, Normandy Beach, St. Lo, Foret de Peroy, Brest, Cherbourg, ~~Wippy~~ Waippy, Bouxwiller, Chateau neuf, Meuse, Couvains, and Fort Montebray; in Belgium, at Montzen and the Battle of the Bulge; in Germany at Seehen, Nurntag, Metz, Berg, Nagneran, Walsheim, Kassel, Werl, Engledorf, Luxembourg, Gelsenkirchen, Waschied, Aachen, Bresmerhaven, Waldich, Bremen, Juloch, Duren, and Waltrop; in North Africa, Corsica and the Mediterranean Sea; in Italy at Anzio Beachhead, Rome, Lecce, San Luce, and Rapido River.

In the Asiatic Pacific Theatre, men lost their lives at Tinian Island, New Guinea, Tarawa Atol, Okinawa, Iwo Jima, Bougainville, Truck Island, Guam, Pelelieu Island, Burma, Mindaro, Saipan, Leyte, Samar, Luzon, Nagoya, and in Japanese prison Camps.

Also a number of men, through accidents and by sickness, died in the training centres in this country and in England.

Wherever there was training or fighting, men from this community gave their lives for their country. Our men were everywhere.

We can, however, trace rather completely the training and fighting of one unit which went out from here and kept its identity for the duration of the war.

This unit is Company C, 116th Infantry, 1st Battalion, 29th Division. Its itinerary is described in detail (see page 25 et sequor), and a map showing its movements in Scotland, England, and on the continent has been prepared and inserted there.

History and Background

of

Company C,

116th Infantry

29th Division

Before going into detail in regard to the activities of Co. C, 116th Infantry, 29th Division, in World War II, it seems fitting to examine the background in which this organization was born and grew.

The military units in Harrisonburg within the recollection of the writer begin with the Harrisonburg Guards.

This company was organized on May 10, 1886, under the sponsorship of Mrs. Juliett Lysle Strayer, Mrs. Emma Lyon Bryan, and Mrs. John T.Harris Sr., with the following named officers:

Captain, John W.Donivan,
Lieutenants, O.B.Roller
James Hay
E.W.Sullivan
Sergeants, Robert C.Bassford
James Sullivan
C.Greiner
Corporals, N.G.Miller
George Gatewood
T.Ashby Long

and twenty-four privates.

Upon the resignation of Captain Donivan, O.B.Roller became Captain, with James Hay, L.C.Myers, and E.W.Sullivan as Lieutenants.

The information in regard to the personnel of the Guards has been furnished by K.S.Bassford, one of the privates at the organization of the company.

In the Daily News-Record of March 11, 1949, Mr.Bassford gives the roster of 1888 to be

Captain, O.B.Roller;
Lieutenants, James Hay
L.C.Myers,
William W.Roller;
Sergeants, Robert C.Bassford,
C.Carter Sprinkel,
T.A.Long;
Corporals, George Gatewood,
N.G.Miller,
George Bassford;
Privates, William Billhimer,
Frank Billhimer,
Charles Braithwaite,
R.E. (Pete) Braithwaite,
George Anthony,
William Armstrong,
James E.Clary,
Willoughby Boyd,
Herbert Coffman,
Samuel M.Coffman,
Follingsby Welcher,
Thomas Welch,
Henry Bassford,
K.S.Bassford,
Lenwood Hamilton,
Alexander Hamilton, Jr.
Frank Staling,
George Long,
Wilton Eichelberger,
Luther Morrison,
Gardner Nicholas,
Manny Keller;
Quartermaster, Lucas Nicholas.

As a general introduction to the military units of this community from 1888 on, we quote from the Daily News-Record of September 16, 1948:

"On May 12,1898, Company D, Harrisonburg Guards, Second Virginia Infantry, left for Cuba in the Spanish American War with Captain E.W. Sullivan in command. They were not called for active duty. Ned Herring, of Harrisonburg, is among those living here today who served with this company. Co. D was in existence for some years and the rolls of its members include many names familiar today.

On May 18,1907, Co. H, 72nd Regiment of Virginia Volunteer In-

fantry, was organized in Harrisonburg with Captain John Paul in command. He served for two years and was succeeded by Captain George Herring. The lieutenants of the company included Randolph Heneberger, J.Robert Switzer, and Robert Eastham. This company trained at the Jamestown Exposition in 1907 and later at Guard assemblies at Chichamauga Park, Tenn Gettysburg and in Tidewater, Virginia. No one contacted recalls when the company disbanded. The old Bassford skating rink on North Liberty Street served as the armory and many members of the company still reside here. The roll is not available.

Following the disbanding of Co. H, there was a period of some years, including those of World War I when Harrisonburg was without a military organization.

. . . .

Federalized in 1926

COMPANY C, 116th INFANTRY, was federally recognized in 1926 although it has been organized before that year. William G.Myers was the first captain and retained that command until immediately before the pre-war training of the National Guard, when he retired because of his age.

Company C, which was to form a unit in World War II, was rigorously trained by Capt. Myers, himself an overseas veteran of World War I. This training was manifest in the record established by the war-time members and the number of went from its ranks.

Capt. Frank C.Switzer succeeded Capt. Myers in command of Co. C and was in that office when the unit was inducted into federal service Feb. 3,1941. He remained in command for some time after Co. C went into training at Fort Meade and then he was transferred for further training. Capt. Switzer who served some time overseas as a regimental officer, held the rank of Lieutenant-Colonel at the close of the War.

Three Officers Killed

CAPT. SWITZER WAS succeeded at Camp Meade by then First Lieutenant Robert C.Herring who was in command for several months before being ordered to training for a higher rank. He rose to the rank of Lieutenant Colonel and was killed overseas. Another Co. C. officer, Capt.Luther A. Hosaflook was also killed overseas. Still another Capt. Thomas N.Bowman who was a sergeant when Co. C was inducted into federal service, also met his death in Europe. Five of the ten Co. C sergeants received commissions during the war, two, Benjamin F.Dean, and George C.Armentrout advanced to the rank of major. Major Armentrout is now serving in Japan.

. . . .

Trained In England

CO. C CONSISTED OF FIVE officers and 103 enlisted men when it entered federal service. It was given strenous training in the United States and landed in England in October, 1942. There the 29th Division trained until D-Day, June 6, 1944, when it was the spearhead of the Normandy Invasion. Co. C was in the front elements of the invasion, losing a sergeant, Ted F.Mowbray, and having many wounded. During the war, in which members of original Co.C was transferred to other units, nine of the original members made the supreme sacrifice in carrying out the historic battle cry of the 116th, 'Ever Forward.'

The record of the 116th Infantry from D-Day at Omaha Beach 'The Battle of Normandy', 'The Cracking of Brest,' 'The Conquest of the Cologne Plain,' the last-minute training in Holland and the crossing of the Elbe

into Germany will forever live in the history of the nation's finest fighting organizations. The regimental losses were heavy but nothing deterred the forces who had in the background the great fighting of their ancestors in the War Between the States and in World war I. The 116th was encamped near the Weser River in Germany when long-awaited V-E Day came.

Present Company M

HARRISONBURG and Rockingham's present National Guard unit, Company M, 116th Infantry, an infantry heavy weapons company, which was organized April 3, 1947 by Capt. Ben Dean, one of the original members of Wartime Co. C. The present commander is Capt. William E.Bryan, likewise an original officer of Co. C and who fought through the war in Europe with the 116th Infantry. Co. M has 55 members and three officers and needs recuits to bring its strength to over a 100.

Drills are held at the armory each Wednesday night and practice on the outdoor range near Rawley Springs each Sunday."

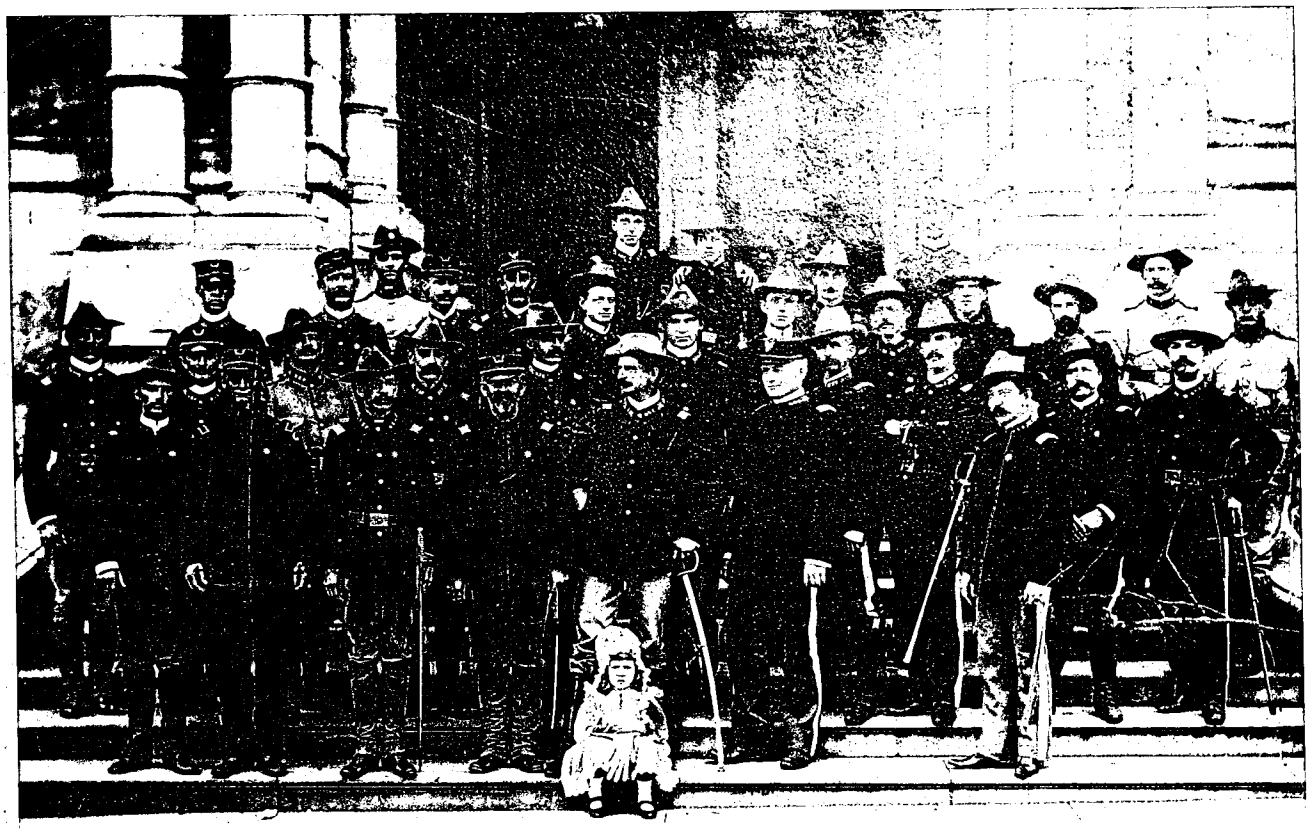

To be more specific, the Harrisonburg Guards was mustered in as Company C, 2nd Regiment, Virginia Volunteers on January 31,1893. The Muster Roll furnished by the Adjutant General's Office in Richmond, Va., appears on the next page.

It is interesting to note that two members of this company took part in World War I, Edward Garber and R.R.Richardson, Surgeon with the rank of Commander U.S.Navy, who received the following citation,

Royal Roller Richardson
Harrisonburg, Virginia
Commander U.S.N., 6th Div. Battleship Fleet
Commended by the Secretary of the Navy
Citation:

"During the severe epidemic of influenze he rendered exceptionally meretorious service in caring for the sick, and by his skill and careful attention to duty, greatly restricted the spread of the disease in the Sixth Division, Battleship Fleet." Recommended for the Navy Cross.

Commander Richardson continued in service until after the beginning of World War II. See Roll 1.

Muster Roll of this Company signed by Captain Oliver B.Roller, 5 September 1893.

Company C, Second Regiment, Virginia Volunteers
about 1894-'96

Between 1893 and 1898 this Company was called to service several times, once to Winchester, Va., to guard a prisoner charged with murder and threatened with lynching, and to the Pocahontas coal mines to preserve order during a strike.

Again quoting from the Daily News-Record:

"The Rockingham Historical Society has received from Glen Alexander, of Los Angeles and formerly of Harrisonburg, a large photograph of the old Harrisonburg Guards, taken just before they left for Winchester, May 10 1895, when they were called out by the governor of Virginia to guard a prisoner.

Only two of the company are still living and they are Charles Gardner and K.S.Bassford, both of Harrisonburg.

Clearly shown in the photo are the old brick Court House, erected in 1872 and the Eshman Band's bandstand, erected in 1884.

The members shown are Capt. Olived B.Roller, Lt.Edward W.Sullivan and Roy R.Richardson; Sergeants, I.M.George Gatewood, George W.Bassford and Joseph McQuay; Corporals, K.S. Bassford, Charles Rodgers and Eugene West; Privates, Hugh Hinds, Gus Barber, Edward Garber, W.H.Willis, Payne Avis, Welty Compton, Ed Snell, Tom Brown, Charles Gardner, Brent Bowman, Follingsby Welcher, Walter Wiseman, J.Henry Bassford, James Bragg, Edgar Harry, Huston Effinger, Monroe Saum, John Mitchell, Frank Billhimer, Harry Garber and Beverly Lewis.

The Harrisonburg Guards were organized in 1878, sponsored by Mrs.Juliet Strayer, Mrs. Emma Bryan and Mrs. John T.Harris, sr., John Donivain, Capt. O.B.Roller, and S.C. Myers, Lts., Later, O.B.Roller, Capt., E.W. Sullivan and Roy Richardson, Lts.

The company was inducted into the 'National Guard' onJanuary 31st, 1893 as Co. 'C', 2nd Virginia Regiment, Infantry. Volunteered for the Spanish-American War, honorably discharged, April 29,1899 by disbandment of company per General Order No. 2, Adjutant General of Virginia."

On May 12,1898, O.B.Roller having been made Colonel of the regiment, the company, commanded by Capt. Edward W.Sullivan, left for Cuba, in the Spanish-American War. However, it did not reach Cuba, getting only as far as the training camps in Florida. There was much sickness in the training camps and a good deal of talk about "embalmed beef."

On May 18,1907, Co. H, 72nd Regiment Virginia Volunteers, was organized, with Captain John Paul in command.

This company was trained at the Jamestown Exposition, at Chicamauga Park, Tenn., at Gettysburg, Penn., and in Tidewater, Va. The date of its disbanding is not available.

For some years after this, including the duration of World War I, there was no military unit in the County. Nevertheless, either by draft or as volunteers 1226 men and women from the county entered the service. Of this number, 86 became commissioned officers, and 49 lost their lives.

A complete roll of those in Service in this war, together with an Honor Roll of the Dead, is to be found in Rockingham County in the World War, by F.Wilmer Coffman, published by Rockingham Post No. 27, The American Legion, Harrisonburg,Va., 1931.

Shortly after the entry of the United States into World War I, the 29th "Blue and Gray" Division was organized from National Guard Units from New Jersey, Delaware, Maryland, District of Columbia, and Virginia, and was in action in the Meuse-Argon Offensive and other battles in that war.

After its release from Federal Service at the close of World War I, the 29th was reorganized as a part of the National Guard containing units from Maryland and Virginia, among which was the 116th Infantry.

After several months of preliminary organization, Co.C received Federal recognition on Aug.25,1926. At that date the Muster Roll as furnished by the Office of the Adjutant General in Richmond, was

Joining the 116th Infantry at Fort Meade, Md., the Company began its formal training with the 116th and 176th Virginia regiments which made up the 88th Brigade. Soon 10000 selectees began to come in, and a thirteen week Mobilization Training Program began with combat teams at the A.P.Hill Military Reservation and infantry officers at Ft.Benning, Ga.

Sept. 13th, 1st Army Maneuvers in North Carolina, a 240 mile motor trip to Fort Bragg and two weeks at the Peedee River, then back to Fort Meade in December, being en route on December 7, 1941, Pearl Harbor.

After reorganization, the Company spent two months under canvas before going into the second North Carolina Maneuvers. Leaving North Carolina for Ft.Blanding, Florida, on Aug.17,1942, the Company was there when Gen. Gerow issued the Oversees Alert on Sept. 6,1942, recalling all men on furloughs, leaves, or passes.

Entraining for Camp Kilmer, N.J., and thence to the Port of Embarkation, the 29th sailed on the Queen Mary, September 27, and the Queen Elizabeth, October 3, the 116th with Company C on the Queen Mary. They reached Scotland, the Queen Mary on October 3, and the Queen Elizabeth on October 11,1942, and landed the Division at the Frith of Clyde (Grenoc, Scotland.)

The troops went to England by train, and on the way were treated to tea, crumpets, and tarts, by the girls of the Order of St.John,(English equivalent of the U.S.O.)

At the Tidworth Barracks, on the Salisbury plain, there was seven days a week training, two 25 mile hikes or a 40 mile hike every week, with a 48-hour pass once a month,-could visit London.

While at Tidworth Barracks, Mrs.Eleanor Roosevelt made a visit to the Regiment. She circulated among the men, asking questions, "Are you getting your mail?" "What about food?" "Do you need socks?" The answers were, "No," "Not so good," "We sure do." These are not direct quotations, but they give a pretty good idea of what happened. At any rate, so the G.I.'s say, Mrs. Roosevelt got busy, and soon things began to happen. The mail came through, the food improved, and there were plenty of socks, what socks! Once a barrel of beer from the Pub. got into the barracks somehow, a never to be forgotten episode.

From there they went to Devan, Cornwall peninsula, and in July,1943, had amphibious training. In December '43 and January '44, Operation Overlord, there was full scale amphibious training; later, a complete invasion rehearsal of D.Day. In May came the concentration of invasion troops.

D-Day.

June 5,1944, into the transports and away.
June 6, Company C landed 1500 yards east of the Vierville draw on Dog White, at 7:10 A.M., with only five or six casulaties. It was near there S.Sgt. Ted F.Moubray was killed.

62

It was a compliment to the fighting qualities of the Virginia and Maryland volunteers that the 29th was chosen to spear head the invasion, beside the famous First Division Regular Army. The trust put in the men of this division was not misplaced, nor was the prowess of Company C overlooked. In "Omaha Beach head," Historical Division, War Department, it is stated, in regard to the advance from Dog White, that "the most important penetration on the western beaches was made by Company C, 116th Infantry, and by the 5th Ranger Battalion which had landed partly on top of Company C." (Underscoring is mine.)

The details of the fighting of the Company are amply covered in "29 Lets Go!" A History of the 29th Infantry Division in World War II, by Joseph H.Ewing, Infantry Journal Press, Washington, and "Omaha Beachhead" referred to above. Therefore, it will suffice to give the route followed, and the battles in which the Company took part.

This itinerary, prepared with the able assistance of Lt.Col. Frank Switzer, a former member of the Company, shows the "continuous progress of the Regiment, which has never given an inch of ground to enemy counter-attack," through almost eleven months of continual combat.

Having received the Presidential Unit Citation for "Extraordinary heroism and outstanding performance" on D-Day, the 116th proceeded through Normandy, Northern France, and Western Germany in the following order:

Omaha Beach, St.Piere-du-Mont, Meusy, Isigny, Ste.Marguerett d'Elle, la Boulaye, Martinsville, to St.Lo, captured on July 18. Between July 18 and 28 was a reorganization period, during which leaves were granted. Cpl. Piner, returning from a leave, stopped over night at a rest camp. The camp was bombed by the enemy and he received wounds from which he died on July 28 at Couvains.

On July 28, the 116th, reorganized and completely motorized, started on the road to Brest, passing through Moyen, Landelle at Camprigg, reaching Vier Aug. 6. (It was during this time that Lt.-Col.Robert T. Hering, serving on the General Staff of the 83rd Division, was killed by a mine on July 31.)

Leaving Vier in the general direction of St.Germain, the regiment reached the Brest area on Aug. 22. (Here Pfc Ernest R.Shifflett met death by shell fire on Aug. 27).

Near la Trinite on Aug.31, preparation was begun for the attack on Ft. Montbarey. (On Sept.3, S.Sgt. Carl D.Lee and his Company Commander, having volunteered for special duty on patrol, were both killed by German snipers.)

Ft.Montbarey was protected by very thick walls surrounded by a deep draw. Artillery fire was ineffective in breaking down the walls, as was bombing. After preliminary bombing, a young German prisoner, whom the boys called Herman, the German, was sent in with a verbal message to the effect that "This is just a sample, you'd better surrender." He brought back the answer,-'If that's the best you can do we'll hold out for a while." Maj. Dallas sent him back with "Then I'll blow you to hell."

It was then decided to blow up the walls with TNT and the engineers were called in tunneling in under the draw and carrying in the TNT in large quantities. The operation was successful. A large section of the wall fell into and felled the deep draw, making a passage way to the gates. Company C was sent in at dawn on Sept. 13 to clear the ground before the fort. Then the gates were attacked with fire and cannonading, and as soon as they were broken down the men rushed in and the fort was taken.

After reconnaisance before Brest and a devastating shelling which made the port useless as a port of entry, Brest and its submarine pens was taken on Sept. 18.

The men rested in le Conquet Peninsula until Sept. 24,-when the trek to Germany began. The troops made this 650 mile trip in two groups, one by motor and the other by train, through France and Belguim to an assembly point in Holland, about Sept. 28. Those going by motor bivouacked at night, while the group by train were four days and nights in the cramped quarters of "40 and 8's". Both groups were joyfully greeted gy the citizens of the villages through which they passed. The general route passed through or near such places as Rennes, Chartes, Paris, Charleroi, Huy, Tougres, and Maastricht.

After more training at the assembly centre, the 1st Bn. was attached to the 30th Division moving toward Aachen, to Wurselen on Oct. 14, narrowing the gap to about 2 miles. Then behind the lines for a while, during which time visited by Gen. Eisenhower.

On the move again, Setterlick, Nov. 18, Ungershausen, Nov.20, (on which date 1st Lt. Thomas N.Bowman with the 377th Infantry was killed near Metz), Engledorf, Nov. 21, (where Capt.Luther Hausenfluck was killed by artillerty fire), taking Kostar on Nov. 22, and reaching the Roer River opposite Julich on Dec.8,1944.

The artificial floodings of the Roer by the enemy made its passage impossible until late in February, and Julich was not taken until Feb. 24,1945. Once this was accomplished, the advance was rapid to Munchen-Gladbach, which was taken on the 28th.

Then followed a quiet time until March 31 when crossing the Rhine they moved on to the Elbe, (Pfc Laurence L.Warbel, automatic rifleman, was killed April 4, 1945.) They reached the Elbe on April 24, and met the Russians on May 3. The next stop was Bremen on May 21.- Thence home.

On the following two pages is the roll of Co. C on D-Day. The names starred are those of members of the original Company.

Local Military Units

68

A history of the part played by the city and county in World War II would not be complete without an account of the local military units which remained at home during the war. These units were Company 102 Virginia Protective Force, later the Virginia State Guard, with headquarters in Harrisonburg, and Rockingham Company No. 83, Virginia Reserve Militia (Minute Men) with headquarters at Broadway.

They served a double purpose, first guarding public utilities against possible sabotage, protecting the water supply,and giving the community a sense of security.it could not otherwise have had; and, secondly, giving military training to a large number of men who later volunteered for service in the fighting forces or were called into the army by the Selective Service Boards.

We are fortunate to have very complete records of these units, prepared by Captain William G.Myers, commanding officer of Company 102, Virginia State Guard, and by Captain Joseph P.Harpine, commanding officer of Rockingham Company No. 83, Virginia State Militia.

These records follow:

6933

~~(SCRT)~~.

Company 102 Virginia Protective Force later the Virginia State Guard was mustered into service in February, 1941.

The State Guard was organized to replace the National Guard called into Federal Service. It was presumed that the service would be for one year, however, the Company saw five years service, being inactivated on June 30th, 1946.

The original strength of the Company was three officers and sixty-three enlisted men, later reduced to three officers and fifty-four enlisted men.

The initial officers were Wm.G.Myers, Captain, Harold E. Shomo, 1st Lieutenant and Kermit E.Dovel, 2nd Lieutenant, later Shomo entered the service and Dovel was promoted to 1st Lieutenant, M.F.Leffel was made 2nd Lieutenant.

Leffel entered the service and Allen Z.Emswiler was made 2nd Lieutenant.

During the first months after Pearl Harbor, the Company furnished Guards for bridges and other installations at different points in the State.

In the five years of service the Company was alerted several times and was mobilized for active duty on one occasion caused by labor trouble.

The officers and men of the State Guard are due great credit for the time and energy they put into this duty, all serving without pay of any kind, except when on active duty.

During the five year life of the Company, 298 men have gone through the rolls and of this number two officers and 162 enlisted men entered the regular armed forces.

In all cases the basic training received by these men in the State Guard was of great benefit to them in their career as a soldier, sailor or marine, a good many were commissioned and others held high non-commissioned grades.

Towards the end of the five years Company 102 was functioning, several of the men returned from the fighting fronts and re-enlisted in the Company.

When the Company was mustered out of service on June 30, 1946, of the original roster three officers and two enlisted men remained. One of the enlisted men had a perfect attendance for the entire five years, never missed a formation of the Company (Sgt. Albert T.Myers).

The National Guard being in process of re-organizing, Company 102 Virginia State Guard was disbanded June 30, 1946, after over five years service.

Attached complete roster.

ROCKINGHAM COMPANY NO. 83
VIRGINIA RESERVE MILITIA
(MINUTE MEN)

Organized July 11, 1942 Demobilized September 15,1945

Rockingham Company No. 83, Virginia Reserve Militia (Minute Men) was organized July 11, 1942, by W.W.Wharton, Attorney at Law, Harrisonburg, Virginia; under the Military Code of Virginia, with the following members:

Bridgewater - Arthur S.Huffman, Lawrence E.Kibler, Frank A. Kiracofe, Mallon H.Richcreek, W.Clark Rosenberger, John N.Simmers, Jr. Garnett E.Stover, Janssen E. Tumer, Roy E.Vanpelt and Hubert C.Shull.

Broadway - Arthur W.Fitzwater, Joseph P.Harpine, Guy L.Ritchie, Walter H.Ritchie and John P.Zirkle.

Dayton - Liycurgus P.Hill, Hollis H.Keiter, L.James Ruebush, and M.Glen Newman.

Elkton - John W.Adams, Gregory S.Bird, Walter M.Life,Gordon K.Lough, and Karl R.Whitfield.

Grottoes - Marvin M.Shepherd and David Madison Wilberger.

Harrisonburg -Talbotte Clark, Joseph L.Deter, Stuart F.Geil, William C.Grandle, George G.Grattan, III., John R.Grattan, Stanley R.Helbert, Thomas G.Herring, Z.Davis Jackson, Albert J.Joseph, T.Harry Lowery, Alfred P.Newcomb, Howell G.Pickett, James E.Summers, George W.Taliaferro, James M.Weaver, William W.Wharton, and Joe L.Whitmire.

Lynnwood - J.Blackburn Kemper.

Mt.Crawford - W.R.Burgess and Moss M.Sayre.

Port Republic - George K.Harnsbarger and Earl B.Wagner.

Timberville - Haller M.Bowman, Marcus Garber, Gorman G.Gordon, Berlin R.Nair and Ervin L.Simmers.

The foregoing named citizens of Harrisonburg and the County of Rockingham, were approved for membership in the Defense Forces of the Commonwealth of Virginia, by Lawrence H.Hoover, Commonwealth's Attorney and Sam H.Callender, Sheriff.

Inspected for muster in the armory at Harrisonburg, by Captain William G.Myers, Commanding Officer of Company 102 Virginia Protective Forces and accepted as a unit of the Virginia Reserve Militia (Minute Men) September 3, 1942, G.O.No. 10, A.G.O.,- Attached to the 10th Battalion, Virginia Protective Forces, Charlottesville, Virginia, for training under the supervision of Lieut. Col.Edward V. Walker, Commanding Officer.

The purpose and use of the Virginia Reserve Militia as announced by the Honorable Colgate W.Darden, Jr. Governor of Virginia - That the companies of Virginia Reserve Militia will be used in the respective counties or cities in which their members reside. This ruling will not prohibit a unit from serving outside its own community during an emergency if they so desire. The Virginia Reserve Militia will be used primarily for the protection of their homes and property and people in the local communities and to report to their respective Company Commander all subversive activities or rumors which may come to their attention, who will advise the Adjutant General.

Mission: To furnish immediate local protection against saboteurs and raiding parties, destroying them or serving as a holding force, pending the arrival of better equipped troops.

Their function is armed combat.

In an emergency, members of the Virginia Reserve Militia are the first to go into action, their duties varying from assisting guards already on duty at public and private industries and utilities, to actually repelling an invasion by the enemy, no matter what means may be employed by the enemy to land or advance troops in the locality. These forces might be called first line troops, since they are the first to go into action regardless of the type of emergency.

The official uniform worn by the "Minute Men" was forest green in color. The war Department adopted similar material to be camouflaged for service in the Southern Pacific and elsewhere.
It was not the duty of a "Minute Man" to look like a soldier, but his duty to look like a real minute man and imitate the costume, traditions, patriotism and self-denial of his Revolutionary Ancestors, who gave this Nation independence.

Their Slogan - "liberty or Death"
Their Mission - "Ever to Defend".

Uniforms were furnished members of Company 83, by the Board of Supervisors of Rockingham County and the "Minute Man" insignia was donated by the Ruritan Clubs of Rockingham County.
Each menber had to provide his own arms, ammunition and equipment.

In order to give members of the Virginia Reserve Militia protection of belligerents under the Hague Treaty, the Commonwealth of Virginia furnished an insigne to be worn on the right breast - VRM.

Officers elected at the organization meeting were, W.W.Wharton, Captain. Walter H.Ritchie, First Lieut. John W.Adams, Second Lieut. Prior to inspection and muster, John W.Adams was called to service in the U.S.Navy and William Clark Rosenberger of ~~Bridwater~~ Bridgewater

was elected Second Lieut. Under date of December 4, 1942, Captain W.W.Wharton resigned as Commanding Officer to enter service in the U.S.Navy. Joseph P.Harpine, Broadway, was Commissioned Captain of Infantry, VRM. and assigned to Company 83 Virginia Reserve Militia as Commanding Officer - Special Order #295, December 12, 1942, A.G.O. Captain served as Commanding Officer until Company demobilized at the expiration of World War II.

The Company was divided into three sections, Company Headquarters Commanded by Captain Jos. P.Harpine, with 1st Sergeant H.G.Picket, Corporal Geo. G.Grattan, III, Clerk and two Platoons of four squads each. First Platoon Commanded by First Lieut. Walter H. Ritchie, with Sergeant William C.Grandle.

1st Squad - Broadway, Corporal Arthur W.Fitzwater.
2nd Squad - Timberville, Corporal Gorman G. Gordon.
3rd Squad - Harrisonburg, Corporal George Taliaferro.
4th Squad - Dayton, Corporal Hollis H.Keiter.

Second Platoon Commanded by 2nd. Lieut. W.Clark Rosenberger, with Sergeant T.Harry Lowery.

1st Squad - Bridgewater-Mt.Crawford, Corporal John N.Simmers, Jr.
2nd Squad - Spring Creek, Corporal Garnett Stover.
3rd Squad - Elkton, Corporal Walter M.Life.
4th Squad - Port-Grottoes, Corporal Earl B.Wagner.

On November 5, 1943 1st. Sgt. Howell G.Picket, moved to another state and was discharged. Francis S.Miller was appointed 1st Sergeant C.O.# 5. On July 1, 1944, 1st Sgt. Francis S.Miller requested to be relieved of his duties and Hollis H.Keiter was promoted to 1st. Sergeant, C.C.#3, and served until Company demobilized.

Members of Company 83 comprised veterans of World War I and sportsmen who were familiar with fire arms and represented most of the activities in Rockingham County. Due to the heavy calls for men through Selective Service, it was difficult to maintain a company strength of fifty four men and to find volunteers who were willing to perform this duty to their State and County without financial remuneration of any kind and at considerable expense to each individual. Every member is to be highly commended for their loyalty and patriotism and for the many sacrifices made to their business in preparing themselves to meet any emergency.

Training was extensive and all scholls and training was held in the armory at Harrisonburg. The use of the armory being donated by the City of Harrisonburg for use by Company 83. During the first year assemblies for training were held semi-monthly, but after the first year, the training schedule was stepped up and assemblies were held weekly. During the training of members of Company 83 approximately 50,000 rounds of ammunition was used for targer practice in the armory and on the Rifle Range at City Park above Raleigh Springs.

Activities and Public Appearances.

Rockingham Company No. 83, Virginia Reserve Militia (Minute Men), was recognized as one of the outstanding companies in the 10th Battalion and was required to stand inspection by the Headquarters Staff of the 10th Battalion every three months. During the existence of Company 83, the Company participated in many public functions, some being as follows: On May 21, 1943, the Company under command of Captin Joseph P.Harpine, went to the Blue Ridge Mountain south of Elkton, Virginia and assisted in the search for Four-year-old Doris Dean,who was lost four days in the rugged Blue Ridge Mountain. Harrisonburg Company102 Virginia State Guards assisted in the search on this date.

November 11, 1943, the Company participated in the Armistice Day Parade in Harrisonburg, Va.

May 21, 1944, the Company participated in thededication of the Timberville Honor Roll Board, in Timberville. Dr.B.B.Bowers, Mayor of Timberville, was Master of Ceremonies and the Honorable Lawrence H.Hoover, Commonwealth's Attorney for Rockingham County, made the dedicatory address. The Honor Roll Board contained the names of Howard E.Arehart, Marcus F.Garber and John P.Zirkle three former members of Company 83, who were serving in the U.S.Armed Forces.

September 24, 1944, the Company participated in the mobilization of the Virginia State Guard and the Virginia Reserve Militia under the 10th Battalion at Charlottesville, Virginia. Four Companies of Virginia State Guard and nine Companies of Virginia Reserve Militia were present. The review and parade was witnessed by Brigadier General S.Gardner Waller, the Adjutant General of Virginia and his Military Staff from Richmond, Virginia; and Lieutenant-Colonel E.V.Walker, Commanding Officer of the 10th Battalion and his staff.

October 1, 1944, the Company went to City Park west of Raleigh Springs, spending the entire day on the rifle range and Skeet-shooting.

April 22, 1945. Pursuant to General Order No. 1, Adjutant General's Office and by order of the Governor of the Commonwealth of the State of Virginia, Rockingham Company No. 83,Virginia Reserve Militia (Minute Men) mobilized at the Armory in the City of Harrisonburg, Sunday, April 22, 1945, 2:30 o'clock).M., E.W.T. All Officers and Enlisted personnel assembled under arms, wearing the regulation uniform. This Mobilization was to commemorate the Annual Muster of the Militia in Colonial Days, and for the purpose of permitting the citizens to witness the assembly of their local company, upon which force they will have to depend in time of possible disaster or disorder, especially if the State Guard may be employed elsewhere in the Commonwealth. Harrisonburg Company 102 Virginia State Guard, under the Command of Captain William G.Myers, took an active part in the program. Senator Jacob A.Garber delivered the principal address and the music was furnished by the combined High School's Band composed of Broadway, Timberville, Linville-Edom and Mt. Clinton, under the direction of Eddie Branner.

Civil Air Patrol

Under the date of December 1, 1941, the following statement was issued from the Office of Civilian Defense at Washington, D.C.:

> "To the end that opportunity for voluntary service by especially qualified citizens may be provided, in line with the traditions of this Nation, and pursuant to the authority conferred upon me as the United States Director of Civilian Defense, by Executive Order of the President of the United States, I do hereby order established under the Office of Civilian Defense, the Civil Air Patrol. The organization will be formed and conducted as provided in the attached chart, which is hereby approved.
>
> "I have appointed Major General John F.Curry, Air Corps, as National Commander, CAP.
>
> "I call upon all persons in civil aviation to enroll and otherwise assist in this important contribution to our national defense.
>
> (Signed) F. H. LaGuardia
> U. S. Director Civilian Defense"

Under the date of January 7,1942, the appointment of Allan C.Perkinson, State Offide Bldg., Richmond, Va., as Wing Commander for Virginia, was made.

On March 20, 1942, the local unit was organized. The Daily News-Record of March 21,1942, published the following account of the organization meeting:

> "Another phase of civilian defense activities in Harrisonburg was inaugurated last night when an organization meeting of the Civilian Air Patrol was held at the Harrisonburg Airport with 20 local pilot volunteers attending.
>
> All of the pilots attending last night's meeting have made application and have been approved by the national organization of the Civilian Air Patrol.

John Dean, manager of the Harrisonburg Airport, was named squadron commander and will be in charge of flight operations of the local unit, while Talfourd Shomo has been named executive officer of the Harrisonburg unit.

Duties Are Varied

The duties of the Civilian Air Patrol are many and varied, including such activities as courier service, observation patrol of back country and coastal regions, ferry service, towing of aerial gunnery targets, patrolling highway traffic control under possible evacuation conditions, searching for military craft forced down or crashed in out-of-the-way places and furnishing valuable information about the terrain of the nearby countryside to the military establishment.

Among the most likely services the local unit would be called on to perform would be the search for crashed or forced down planes, the ferrying of doctors and medicines to disaster centers and because of its nearness to the coast, the patrol of coastal areas.

Volunteers Wanted

Members of the local unit pointed out last night that to be a member of the Civilian Patrol Corp it is not necessary to be a trained pilot as there will be many positions to be filled by auxiliary members. They urged that anyone desiring to fill one of the auxiliary posts apply either to John Dean at the airport or Talfourd Shomo.

Auxiliary duty will include clerical work, driving of cars or ambulances, watchmen, first aid instruction, or kindred services.

Any citizen of good character holding a government certificate for any skill or experience related to aviation such as A. and E. mechanic, control tower operator, radio telephone operator or other such services are also wanted by the local unit.

The Harrisonburg unit of the Civilian Air Patrol will be made up of three flights of three planes each.

Among the other officers of the unit to be elected are: squadron adjutant, personnel and medical officer, intelligence and public relations officer, training and operations officer, equipment and supplies officer, transportation officer, communications officer and flight leaders."

As a result of this meeting, there was formed the

Of these twenty-four men, eleven later entered the armed forces.

After a number of training flights, the patrol made two Blackout Patrol flights, one on June 14, 1942, and another on August 18, 1942. I quote from the report of the latter flight to the Wing Commander, State of Virginia, Civil Air Patrol.

"1. Blackout patrol of Rockingham County was made in Stinson NC-39431, piloted by Dan Hartman accompanied by Cliff Custer as observer, taking off at 9:48 P.M. and landing at 10:35 P.M.

2. Rockingham County as a whole was more completely blacked out this time than on June 17,1942. The blackout was in excellent condition with a few exceptions, outlined in detail as follows: Harrisonburg was completely blacked out with the exception of Stehli Silk Mill and one residence light on the West Side of the City, which later was corrected. Dayton and Bridgewater were blacked out with the exception of one light on the East Side of Dayton, Virginia. Mt.Crawford was entirely blacked out. Broadway was entirely blacked out, and in Timberville there were quite a few lights visible near the northern end of the town, and considerable traffic was noticed moving north from that town. This apparently was due to the heavy peach crop, which is at the peak of its season in that area. There was very little visible traffic moving in any location, other than Timberville.

3. Due to poor visibility occasioned by fog Elkton and Shenandoah were not covered in this patrol, as flying conditions were not good.

By order of the Executive Officer:

Wm. N. LINEWEAVER
Intelligence Officer "

On May 3, 1942, at the request of M.C.Howard, Supervisor George Washington National Forest, a Forest Patrol was made covering the area from Rawley Springs, Va., to Warm Springs, Va., in the ship Reliant, with Dan Hartman as pilot and Talford Shomo and M.C.Howard, observers.

In this flight, two large fires were observed, and two new fires were discovered.

The Patrol was ordered out to search for a missing plane, by Matt P.Will, Captain, Civil Air Patrol, Wing 32,

Executive Office, Richmond, Va., on Saturday and Sunday, Jan. 16 and 17, 1943.

The Daily News-Record of Jan. 18, 1943, contained the following account of the activity:

> "The Harrisonburg Civil Air Patrol was called out yesterday and Saturday to participate in a search for a civilian plane which has been missing since Thursday evening at six o'clock after taking off from a Washington airport for Charleston, W.Va.
>
> Members of the local patrol were turned back over the mountains of West Virginia on Saturday by bad weather, but yesterday they were able to conduct a wide search over the mountainous areas of West Virginia - Virginia line. No trace was found of the plane which was lost after being caught in a snow storm over the mountains."

Snow on the mountains made the detection of a plane or its wreckage very difficult. High winds and rough weather also interfered.

Six planes took part in the patrol, with D.C.Mundy, Flight Leader, E.D.Showalter, Operations Officer, T.H.Shomo, Executive Officer, Pilots, D.C.Mundy, Evelyn Haden, Buddy Haden, Stanley Kline, E.D.Showalter and Dan Hartman.
Observers, W.R.Showalter, Glen Robinson, Charlie Wagner, B.L. McDaniels, Glen Shomo Jr., and Grover Shoemaker.

(The wreckage of the lost plane containing the body of its pilot, James P.Pierce, of Charleston, W.Va., was found on Monday by local residents, four miles from Jerryville, W.Va., on Middle Mountain near the Gauley River.)

The Patrol did valuable work in giving preliminary flying training to a number of men prior to their induction into the armed forces.

Participating in the dedecation were, left to right, George D. Conrad, Major in the Air Force;The Rev.Charles A.York,Bridgewater, minister who served in both World Wars;Russell Stultz, an overseas veteran of World War I and co-chairman of the dedicatory program; Rabbi Freedman,Virginia Department Chaplain of the American Legion; U.S.Senator A.Willis Robertson, a Major in World War I; Gordon Gray, Acting Secretary of the Army; William Wharton, co-chairman of the dedicatory program and a Lieutenant Commander in World War II; Miss Edyth Schneider, and Mrs.Russell Stultz, her accompanist.

War Memorials

Shortly after V-J Day, a committee of citizens of Harrisonburg and Rockingham County, under the chairmanship of Dr.Claude Morrison, started a movement to raise funds for the construction of a suitable memorial to those who gave their lives in World War II. This movement culminated in the construction, at a cost of $75,000.00, of a Memorial Stadium on Harrisonburg High School Athletic Field.

While this was going on, Patrolman Clarence S. ("Tucky") Lease raised, by voluntary subscription, funds for the construction of a bronze tablet containing the Gold Star Honor Roll for the city and county, under the caption:-

"This Tablet And Stadium Is Dedicated To The Memory of Harrisonburg and Rockingham County's Heroic Dead in World War II".

Credit must be given to Russell L.Stultz, Secretary of the Chamber of Commerce for his untiring work in checking the names to appear on the plaque in order that none should be omitted.

The Stadium and the Tablet were dedicated on Memorial Day 1949. The following account of the dedication is taken from the Daily News-Record of May 31, 1940.

"The dedication exercises arranged by Veterans' Committee representing City and County Posts of American Legion, Veterans of Foreign Wars and 29th Division Association under the Co-Chairmanship of W.W.Wharton and R.L.Stultz, in charge of the services, the colors of the numerous veterans posts throughout the city and county formed an impressive back-drop for the ceremony.

Honor Guard for the Acting Secretary of the Army was Company 'M.' 116th Infantry, Virginia National Guard, under the command of Captain William E.Bryan of Dayton. Bryan was an officer in Virginia's famed 116th Infantry that wrote such a brilliant page in American military History from Normandy Beach to the heart of Germany. The names of a number of the Virginia Regiment's members are inscribed on the bronze plaque.

Watching the ceremony, which will provide the city and county a long-needed, modern athletic plant, second to none, one could not help but look over the Honor Roll and read the names of the athletes, who, in spiked or cleated shoes had trod this same field in the years prior to Pearl Harbor.

All down the list of the heroic dead one could pick them out and remember, remember how they had worn a Harrisonburg baseball uniform or the uniform of the Blue and White from Harrisonburg High or the uniform of some of the numerous high schools throughout this sports-minded county.

From this same field all these lads who had traded their sports uniforms for the army khaki or the blue of the navy or the green of the famed Marine Corps had gained the courage in

95 51

athletic games that was to some day carry them half way around the globe to lay down their lives so that America could go on playing all the games that will be played in this stadium and the thousands of other stadiums that dot this great country of ours.

Uniforms from all branches of the services, of all ranks and from all theatres of operation during the last World War dotted the fielf. Most impressive were the color guards from the numerous veterans organizations throughout the city and county under the command of Lt.Col.Frank C.Switzer, who was the commanding officer of Co. C when it went into service. Composes of members from all branches of the services The Colors and organization flags carried by each of the post were massed behind the speakers platform to form a stirring background for the ceremony.

Scattered throughout the crowd both in uniform and in civilian clothes which they have now gotten use to were numerous veterans of World War II. Also on hand to pay tribute to those who returned to fight in World War II were servicemen from World War I.

This group when escorted to the speakers platform marched to the tune of the French National Anthem, 'Marcellaise,' played by the Harrisonburg-Rockingham Veterans Band under the direction of Dr. Charles W.Devier.

While airplanes flew overhead to provide the military sound effects the crowd sat beneath a hot sun to hear one of the nation's top military men tell them that those men whose names are inscribed on the impressive tablet did not need to answer when their country called but did answer because they believed in something, and believed so strongly, that they were ready when called upon, to lay down their lives for thos beliefs.

The Acting Secretary of War landed at Hartman Field at 2:30 from where he was escorted by Harrisonburg and Virginia State Police to the Stadium. After arriving at Memorial Stadium he was escorted through his Honor Guard of members of Company 'M,' 116th Infantry, drawn up smartly at attention to the platform.

Following the singing of 'America' by the assembly with Miss Edythe Schneider leading, the Invocation was offered by Rabbi Joseph H.Freedman, World War II veteran.

After the Invocation little Wayne Cupp unveiled the impressive bronze plaque and Presentation of Memorial Wreaths was made. The Reading of Roll of World War II Dead was then made by Major George D. Conrad. The reading of the Honor Roll was followed by one minute of silent prayer. Miss Schneider then sang 'Sleep Soldier Boy, Sleep' accompanied by Mrs. Russell Stultz.

U.S.Senator A.Willis Robertson, introduced the Acting Secretary of the Army and his address was followed by the National Anthem by the Veterans Band. The Rev.Charles A.York, who saw service in both World War I and World War II gave the benediction while the stirring ceremony was closed with the playing of 'Taps' by Hubert Layman and Billy Hedger. Lt.Commander W.W.Wharton presided over the ceremony.

As the huge crowd moved out of the newly-completed stadium and plans were made to place the plaque at one of the rear entrances of the stadium the city and county could look with pride at this Memorial Stadium that will take its place as one of Virginia's best sports plants and will be a living tribute to the names of the one hundred and thirty nine from all branches of the service—who have their names

965-2

inscribed under the inscription at the top".

The tablet has since been erected at the main entrance to the Stadium with funds furnished by the local Kiwanis Club.

Again we quote from the Daily News-Record:

"The stadium, equipped with one of the best lighting systems of any field in Virginia will provide Harrisonburg and Rockingham County with one of the best community fields in the state and will stand for years to come as a reminder that the city and county have enshrined forever the names of those gallant sons who made possible this field of friendly strife in winning the greatest game this great nation has ever played throughout its glorious history."

Also -

"A bronze plaque bearing the names of the twenty-seven students of Harrisonburg High School, who gave to their country the last full measure of devotion in World War II, was dedicated in Memorial Day Exercises held yesterday in the high school gymnasium.

Speaking before the student body town people, and the special guests, members of the families of these twenty-seven young men, Commonwealth's Attorney Lawrence Hoover delivered the main address. Other speakers on the program were Mayor B.T.Denton, Prof.B.L.Stanley, and Harris Livick. Rev. Allen H.Fenner pronounced the invocation and benediction.

Beginning with a brief history of Memorial Day, Mr. Hoover emphasized the significance of the day when Americans pay tribute to those who have died to preserve our ideals and way of life. He pointed out the inability of expressing in words appropriate tribute and true feeling on such an occasion.

'These boys did their job, did it magnificently,' Mr. Hoover declared. 'They paid the price of freedom. If that freedom be once again lost as it was following the last war, the unforgivable blame will be ours, not theirs. They fought this war to end wars. That was their firm belief. That must now become our solemn trust. Let us not fail them. We dare not fail them. Let us here, now today dedicate ourselves to the principles of peace, everlasting peace.'

Mr.Hoover added that to many 'these boys are sons, brothers, nephews, cousins schoolmates, or friends but to all they are heroes.'

The following constitute the Honor Roll of Harrisonburg High School and their names appear on this plaque:

Beverly Sydnor Blackburn, John Francis Blackburn jr., Thomas N.Bowman, William Henry Branum C.Andrew Claybrook, Franklin Watts Coffman, Raymond Miller Dean, Gladstone W.Donovan, Kenna G.Eastham, Marcus Lonier Fravel, Forest Elwood Fulk, Richard Lynwood Garber, L.Allen Hausenfluck jr., Robert T.Herring, Harmon Leonard Hodge, Edgar Orlin Kersh, Robert G.Koch, John Robert Logan jr.,

9753

Harold V.Meadows Edwin Kenneth Miller, Theodore Franklin Moubray, Benjamin Wilson Prichard, William winston Shank, Biedler Woodrow Stroop, Trenton Atwood Strole, Gilmour M. Will jr., and Homer Andrew Wood.

Prof. Stanley told of the movement begun by the Boy's Hi-Y Club two years ago to secure a memorial of some kind to honor the boys of H.H.S. who died in service. He stated his appreciation to the clubs, the City of Harrisonburg and interested citizens for their support in making such a dedication possible.

Tom Prichard one of the navy veterans who returned to Harrisonburg High after discharge from the service, unveiled the plaque, followed by Mayor Denton's presentation of the memorial tablet. Mr.Denton paid tribute to these young men who answered their country's call and made the supreme sacrifice.

In accepting the plaque in behalf of the school, Harris Livick, president of the Boy's Hi-Y, declared the cause for which they died should be cherished and inscribed in our hearts.

Several of the former servicemen now attending H.H.S. were dressed in their uniforms and acted as ushers.

Music for the program was furnished by the high school orchestra and the mixed octette."

In other parts of the county memorials have been erected:

At Elkton, in the form of a Memorial Park, where at present there is a running track, a baseball diamond, and a foot ball field. It is not yet lighted, but it is hoped to add a Stadium and lights. A concrete wall already constructed contains a tablet bearing the Gold Star Honor Roll of Elkton boys.

At Timberville, a Memorial Recreation Center,with lights,has been constructed. This contains a swimming pool, soft ball diamond, horse-show grounds, etc.

One or two other communities have discussed the possibility of local memorials, but none has materialized as yet.

The Rolls

In order to interpret the rolls satisfactorily it will be necessary to refer to the two "Tables of Abbreviations," developed in the office of the World War II History Commission and reproduced here by permission.

The first table gives the letters used to denote rank, which follow the soldier's name.

The second table gives the abbreviations denoting the ribbons or medals awarded the soldier, and usually appear at the end of the soldier's record. (See paragraph two, page).

The abbreviations for ribbons and medals are not used in Roll1.

The figures in parentheses such as (3-355) refer to the volume and page of the Record Books kept in the Clerk's Office of Rockingham County. Where such numbers do not appear there is no record in these volumes.

The Rolls are

Roll 1. The Gold Star Honor Roll
Roll 2. Prisoners of War
Roll 3. Men and Women in Service
Roll 4. Commissioned Officers

These rolls are as complete as it was possible to make them. Soldiers, upon discharge, were instructed to take their discharge papers to the County Clerk's Office for record, but approximately forty per cent. of those in service failed to do so, despite numerous notices in the local paper, stressing the importance of it. All we know of these men is that they are said to have been in service, but we have left a little space after their names so that if any further information is obtained it may be inserted by hand.

Table of Abbreviations

This table is reproduced, by permission, from the Gold Star Honor Roll of Virginians in the Second World War.

The following abbreviations are in most instances those officially or generally used in the armed forces, but it has been necessary in some cases to devise a new abbreviation or to modify a common form. In very few instances an abbreviation has been printed in the Honor Roll as reported in whatever source of information was available, even though no authentic explanation of the abbreviation's meaning could be found.

TABLE OF ABBREVIATIONS FOR DECORATIONS AND MEDALS AWARDED BY THE ARMED FORCES OF THE UNITED STATES

Note: This list of abbreviations has been developed in the office of the Virginia World War II History Commission because no official list of such abbreviations is readily available. It is believed that war historians can use these abbreviations advantageously, especially in compiling rosters of servicemen designed to include biographical information. Because ribbons are commonly worn in lieu of the actual decorations and medals, references to these awards are frequently made to them as ribbons.

Roll 1

Gold Star Honor Roll

Patrolman Clarence S. (Tuckey) Leake raised, by voluntary subscription, funds for the construction of the above bronze tablet containing the Gold Star Honor Roll for the city and county, under the caption:-

This Tablet And Stadium Is Dedicated To The Memory of Harrisonburg's and Rockingham County's Heroic Dead in World War II.

It has been installed at the main entrance of the Stadium by The Kiwanis Club of Harrisonburg.

Roll 1.

Gold Star Honor Roll.

This Roll has been compiled mostly from records on file in the County Clerk's Office. The record of burial places has been taken from this source. In many instances, the bodies of the soldiers have been brought home for burial since this Roll was made.

(1--1) Adkins, Robert Lee, 141 Maryland Ave., Harrisonburg, Va., S/Sgt., Medical Detachment, Co.L, 116th Infantry, 29th Division, (Virginia National Guards). Sgt. Adkins entered Service at Staunton, Va., as a private, and was killed while going forward with his Company in the attack on St. Lo, France, July 12,1944. "The Company was under very heavy shell fire, and Sgt. Adkins with three other Medical Corps men, were administering first aid to several injured men, and in the action he was hit in the left chest by shell fragments and died almost instantly. He is buried in a U.S.Military Cemetery in Normandy, France. He was a good soldier, a good leader, and a man well respected by his buddies." He received the Purple Heart and other ribbons. He was married to Miss Mary Kathleen Rodeffer, of Port Republic, Virginia, on May 1,1937, and had no children. Next of kind Mr. and Mrs.Charles E.Adkins, Route 1, Harrisonburg, Va., (father and mother).

Alexander, Clarence Minor. Listed as Cpl. Army in Gold Star Honor Roll of Virginians in the Second World War, as from Rockingham County.
Widow, Mrs.Guinevere Arey Alexander, Bridgewater, Va. No record here.

(9-551) Andes, Paul Driver, Timberville, Virginia, Pvt., Infantry, Army. Pvt. Andes entered service at Fort George Meade, Maryland, on Dec. 31,1943, went from Fort Myer, Va., to Fort Riley, Kansas, to San Francisco, California, to New Guinea, to Leyte, Philippines, where he was killed advancing to higher ground on Dec.28,1944. He received the Purple Heart. He was married to Miss Lettie Elvira Romer in Maryland, on April 25,1938, and had two children, Minnie A. and Ralph P.Andes.

(6-486) Andes, Roy H., Route 4, Harrisonburg, Va., 2nd Lt., Pilot Army Air Force. Lt.Andes enlisted Aug.5,1941. On March 18, 1942, at MacDill Field, Tampa, Fla., he was given a certificate as Unrestricted Pilot. He was killed in an airplane accident at Vermilion Bay, La., on Feb.24,1943.
Next of kin: Mrs.Minnie E.Andes, Route 4, Harrisonburg, Va., (mother).

(4-341) Armentrout, Layton Clifton, Keezletown, Va., Pfc., Infantry. He entered Service at Fort George Meade, Md., Nov.3,1943, received training at Ft.McClellan, Ala. According to infor-

mation furnished by his Chaplain,
"Layton was participating in an attack on a hill in Northern Italy, Sept.14,1944, when he received penetrating wounds in the chest and abdomen from enemy machine gun fire. He died instantly. Pfc. Armentrout was one of the best riflemen in the company and was in the platoon the day he was killed. He accounted ror many of the enemy before his death on that hill. He was always willing to do his share of work and also helped others who needed it. The men respected him, liked him, and admired him as a soldier. He received the Infantry Combat Badge, Unit Citation, and Purple Heart. He was not married.
Next of kin: Mr. and Mrs.Thomas Jefferson Armentrout, Keezletown, Va., (father and mother).

(3-289) Armstrong, Marion J., Penn Laird, Va., 1st Lt.Coast Artillery. He was commissioned 2nd Lt. in the Coast Artillery on March 17,1942, was trained at Ft.Eustis, Va., Camp Stewart, Ga., and Portsmouth, Va. He went overseas the last of January, 1943. He was in North Africa about five months before he was killed. Lt.Marion Armstrong was Commander and Battalion Supply Officer of the 253rd Coast Artillery. His outfit was attached to the British Army at a place in Algeria called Ojellija. As the Jerrys would cove over and raid the port it was necessary to orient the search lights on a plane. It was customary for a Searchlight Officer to ride in the plane to see how effectively the lights would operate. The British made arrangements for a mission plane. They got the Free French in a "Boatn" Bomber (A-20-A). The plane was scheduled to leave the airfield, "Tahen Field." One engine cut out, and from the overload the plane plunged into the ocean and caught fire. It sank and exploded under water. They got him out, "Killed in the line of duty in an airplane accident" on July 12,1943, and he was buried not far away at Constantine.

(2-435) Riley, Thomas Felton, Col., USMC.
Legion of Merit with Combat "V," the Bronze Star Medal with Combat "V;" and the Letter of Commendation with Ribbon.
Born at Harrisonburg, Va., Colonel Riley attended public schools here. He was commissioned a second lieutenant in the Marine Corps on July 1,1935, after graduating from Virginia Military Institute. Previously, he had served three years as an enlisted man in Company "C," 116th Infantry, Virginia National Guard. After completing Basic Officers' School, Colonel Riley saw duty at the Philadelphia Navy Yard, Norfolk Navy Yard, and aboard the USS VINCENNES. He was appointed a first lieutenant on July 1,1938. After serving at the Marine Barracks, Quantico, Va., he went overseas in July,1940, to Guantanamo Bay, Cuba, where he was stationed until the next April. Subsequently he served at Parris Island, S.C., aboard the USS NEW YORK, and at New River,N.C. He was appointed a captain on July 8,1940. On May 8,1942, he received a temporary promotion to major. The following November, Colonel Riley went overseas again, to Guadalcanal. It was there, as commanding officer of the First Aviation Engineer Battalion, that he won the Bronze Star Medal for "meritorious achievement" during the period from November 11,1942,to February 27,1943. He was appointed a lieutenant colonel on June 15,1943, with rank from October 25,1942. The Letter of Commendation was awarded for distinguished service at Bougainville, from October 19,1943, to December 15,1943. Colonel Riley's Legion of Merit was son during action on Guam, July 21 to August 10,1944. He also saw action at Emirau and saipan. After the war, he served with the Engineering Division, Quartermaster Department, at Marine Corps Headquarters in Washington, D.C., and later as inspector-instructor of the 11th Reserve Engineering Battalion at Baltimore, Md. In August,1948, Colonel Riley returned once more to the Island of Guam. He served there until January, 1950, when he returned to Barstow, Calif. In August,1950, he was assigned to Armed Forces Staff College, Norfolk, Va. Upon completion of the course in Joint Operations, he was assigned to his present post with the Fleet Marine Force, Atlantic, also at Norfolk. He was promoted to his present rank on January 1,1951. Other decorations held by Colonel

527

Riley include the Presidential Unit Citation, Navy Unit Commendation; American Defense Service Medal with "A;" American Area Campaign Medal; European-African-Middle Eastern Area Campaign Medal; Asiatic-Pacific Area Campaign Medal; and World War II Victory Medal.
Golonel Riley and his wife, the former Emma Jane Eddy, reside at 205 Glen Echo Drive, Norfolk, Va. His father, Thomas A. Riley, is living at 308 South Cameron Street, Winchester, Va.

This information was obtained from Headquarters United States Marine Corps, Washington, D.C.
