

## Youth Football/Cheerleading

We appreciate everyone's participation and patience last Saturday at our first football games at our new park. Our department is in the process of making some improvements to benefit our participants and their families in the upcoming weeks.

- We have created 3 additional parking lots - graveled and striped
- 1 overflow parking area in the grass if needed
- Staff will help with parking and traffic flow
- 5 handicap spaces have been added near the concession area
- Speed bumps have been near concession area
- For those needing assistance with walking, we will have a golf shuttle available (provided by Valley View Golf Carts)
- If you are standing or sitting on sidewalks please be courteous of others trying to use them
