Overseers of the poor for said County & one from each district,

whereas the Board, at their last annual Meeting held on the 9th day of June last. adjourned without making any estimate of the amount of the claims allowed by the board, and without making any assessment of the Levy for 1845, but did suppose that an assessment of 50 cents, would produce a sum, after making an allowance for insolvents and paying sheriffs commissions to pay the claims so allowed, and to pay the expenses of keeping the poor, for the year ending the 30th of June 1846, but notwithstanding this belief left the Levy open, so that the true amount, could be ascertained by the board; and whereas upon an examination of the said claims and the true amount made out, which together with the probable amount of to be paid, the keeper of the poor house, for the maintenance of the poor, for the year aforesaid, it was manifest that 50 cents would not produce a sum sufficient to pay said claims and, for the maintenance of the poor, and such other expenses as might accrue within said year, in order therefore to prevent any deficiency in the Levy, and believing it would, meet the approbation of the board, the clerk closed the Levy with an assessment of 55 cents; and whereas, the board now present, after due examination, are unanimously of the opinion, that the said sum of 55 cents is not too much to be levied, and to hereby assent to, and confirm the act and doing of our said clerk in and about the Levy aforesaid which is ordered to be entered of Record.

Pursuant to adjournment the Overseers of the Poor met at Sibert & Rader's hotel in Harrisonburg on Friday the 5th August 1859, Present. Jacob Rohs, Henry Miller, Robert M. Palmer, Abram Hunt and Jacob Pyerly.

Owing to the absence of the other members of the Board it was ordered that the Board adjourn to meet again at Mills Hotel in Harrisonburg on Tuesday the 20th September next.

At an adjourned meeting of the Board of Overseers of the Poor for Rockingham County, held in Harrisonburg on the 20 September 1859. Present all the members.

Jacob Rohs, R. M. Palmer, Abram Hunt, Jacob Pyerly and Eli N. Hootz were appointed a committee to examine the Poor House property and ascertain what improvements are necessary to be made in order to render said property comfortable and what action the said board of overseers in relation to the same.

The said Committee having met and made the examination required of them, reported to the Board that the said property is so much out of repair that it would not cost less than 2000\$ to put it in a tolerably condition & that in their opinion it will be vastly more to the advantage of the county & more consistent with the enlightened spirit of the present age to sell the said property & purchase other property than to undergo the expense of repair & they recommend to the Board to apply to the County Court for their assent to the sale of the present property and for the purchase of other improved land for the purposes of the County.

Which report was adopted by the Board and their attorney.

E. J. Ho. Warren authorized to bring the matter to the attention
of the Court.

At a meeting of the Board of Overseers of the Poor held in Harrisonburg Va. on 31st July 1860. - Present - Jacob Rohr St. Jacob Dyerly, Eli H Coontz, A. I. Blakemore & Abram Funk.

The Board having been called to order it proceeded to hear the reports from the Committee. (Jacob Dyerly, Abram Funk & Eli H Coontz) appointed, to examine and report, upon a suitable farm for a Poor House, for the County of Rockingham, and the Committee reported that they had examined various farms and after due consideration they think the purchase of the Mep. Loewenbach farm, containing 325 acres. the most judicious and suitable which can be made and they refer to the agreement this day entered into. they regard this farm peculiarly adapted for the purposes of a Poor House, being fertile, easy of access, and we think that enough. The Mep. Loewenbach, agreeing to take the old Poor House Property, at a very high price in part payment. This farm has a fine meadow, the whole of well watered, with plenty of timber, & in a fine state of improvement. It is near & convenient to the Valley Turnpike, and being convenient to Mills of all kinds, easy of cultivation, smooth & not hilly, is in every respect desirable as a farm.

The Board having ordered the execution of the agreement between said Jacob Rohr - President of the Poor & the Mep. Loewenbach, & having examined and approved the same. ordered it to be filed by the Clerk of this Board.

Ordered - that A. I. Blakemore, Jacob Dyerly, & Abram Funk, be, and they are hereby appointed, a committee to carry into effect the agreement this day entered into.

just, proper, & to the interest of the Overseers of the
