

Rockingham County Request for Early Service

Date: _____

To: Building Official

I am requesting an early service on my residence located at _____
_____ for construction
of my home. I understand that all inspections will be made accordingly to the VA Uniform
Statewide Building Code requirements. I will also obtain a final inspection on the
home before moving any furniture or furnishings into the home or living in it. If
any of the above requirements are not met, I understand that the Power Company
will be notified to discontinue electric service until all inspections are completed satisfactorily.
